Thank you so much for sharing the wonderful news that the Bhakti Yoga Institute will be the recipient of the HCT Covid19 Emergency Fund! We're absolutely delighted to receive this good news and our entire team is incredibly grateful to you and the Grant Review Panel.

We wish you all the best and we look forward to using the emergency funds to reach as many people as possible during these very difficult times.

Your support is a genuine lifeline to our clients in Richmond at the moment. It's also giving hope to our outreach team, who are working tirelessly on the frontline, making rough sleepers safe. It's been a tough few weeks for them, especially as more people seem to be arriving on the streets every day, but sharing good news like this helps to keep their spirits up.

The Baby Bank - This is absolutely amazing thank you so much! We have been in storage this morning wondering how we are going to fulfil some of the referrals. We will start using this on Thursday!

Thames Hospice - We really appreciate the Trust's support at this very difficult time. It will make such a difference to our doctors and nurses as they support patients in the coming weeks and months. Please pass on our thanks to the trustees. Their is heart warming. Thank you.

Delight - That is totally amazing, I'm a little teary! (it's been a long hard couple of months). I'm totally blown away by your kindness and generosity.
